

2.54mm(0.100") Female Header, Single/Dual Row, Straight Type H=3.50mm

SPECIFICATIONS

Current Rating : 3AMP
 Contact Resistance : 20mΩ Max.
 Insulation Resistance: 1000MΩ Min.
 Withstanding Voltage : 1000V AC/minute
 Operation Temperature: -40° C to +105° C
 Contact Material : Phosphor Bronze
 Contact plating : Gold Flash Plated
 Insulator Material : High Temperature Thermoplastic (UL94V-0)
 Standard: PBT+30%G. F

FAS1351 Series FAS2351 Series
